

2024 ARIZONA FARMWORKER

ENUMERATION PROFILES STUDY (AZ-FEPS)

The 2024 Arizona Farmworker Enumeration and Profile Study (AZ-FEPS) provides updated and reliable county-level estimates of farmworkers and their household members across Arizona.

83,141

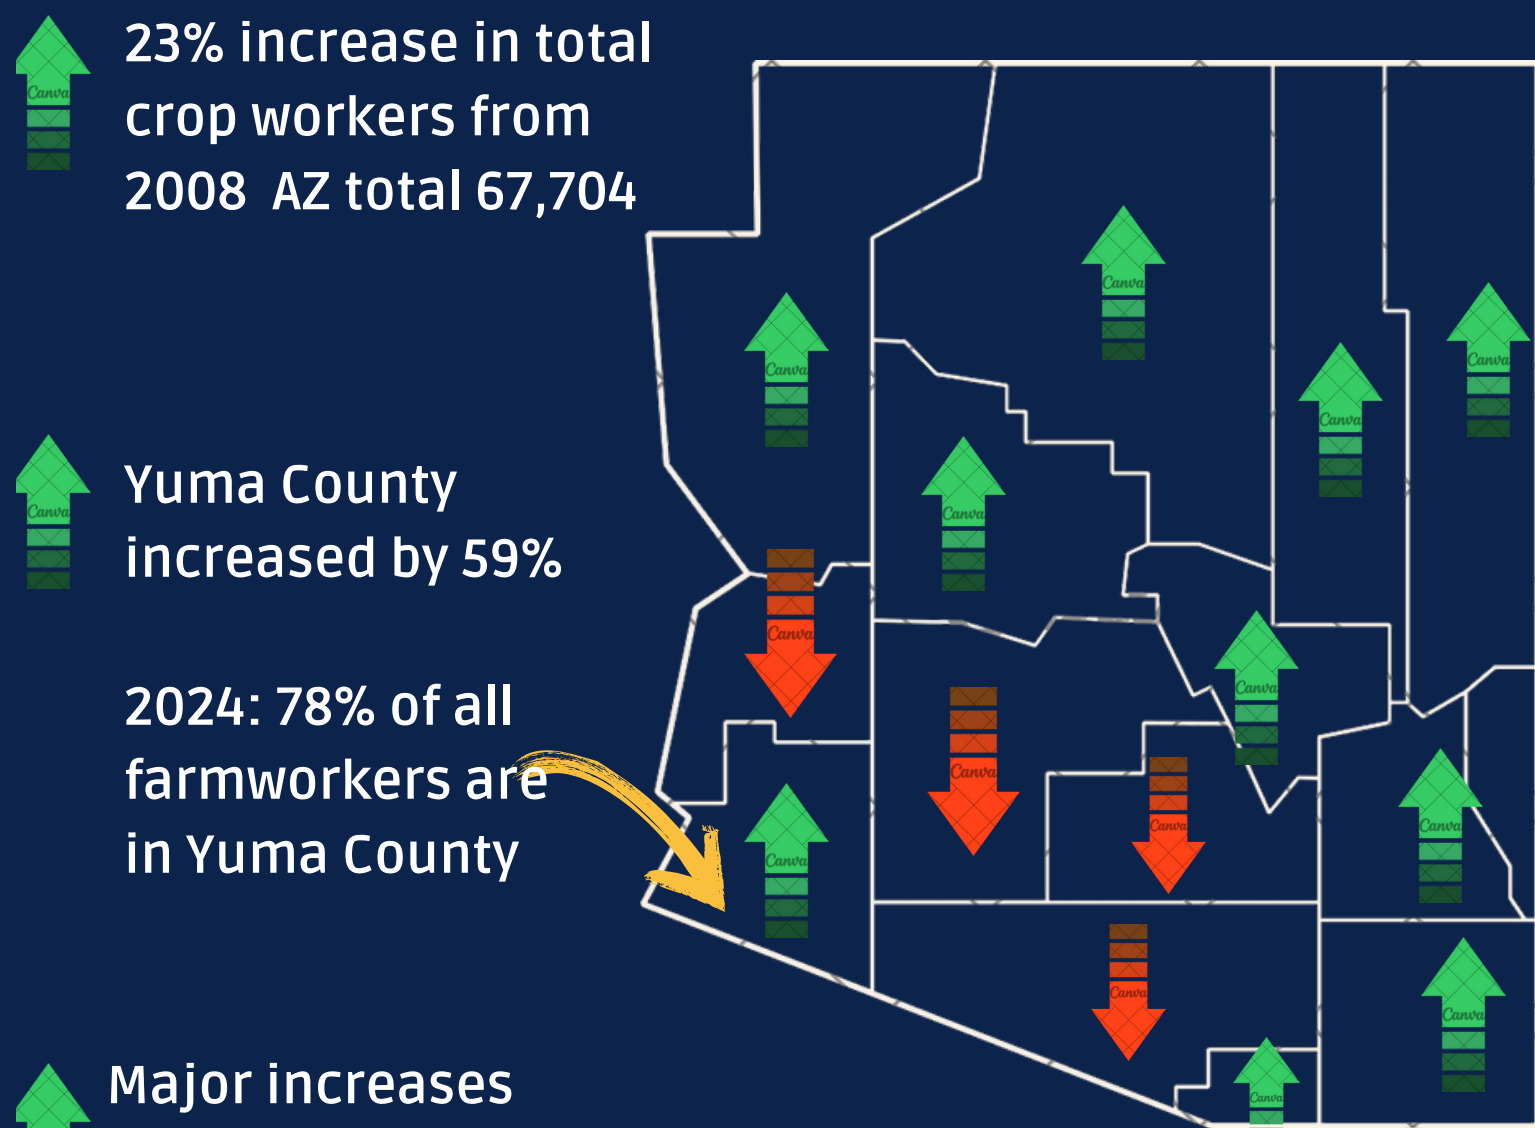

CROP AGRICULTURE WORKERS

Includes: cultivation, harvest, immediate post harvest, packing- sorting, H-2A & nursery- greenhouse workers

Excludes: workers in highly mechanized crops (e.g. grains & hay) and irrigators

160,693 TOTAL CROP FARMWORKERS & HOUSEHOLD MEMBERS

CROP WORKER TRENDS SINCE 2008:

The temporary workforce has shifted from mobile migrants to seasonal residents

	Migrant	Seasonal
2008:	59%	41%
2024:	28%	72%

11,136

ANIMAL AGRICULTURE WORKERS

Includes: dairy cows, beef cattle, poultry, egg, aquaculture, hogs & pig workers

Maricopa and Pinal counties account for over 70% of all animal agriculture workers
